Dear Neighbor,

Our seniors need your help!

For five decades, the mission of the Senior Citizens Council (SCC) has been to lessen isolation and loneliness in our senior population. The SCC is comprised of a volunteer board whose main responsibility is to raise funds necessary to maintain the Tuckahoe and Bronxville Senior centers.

More than 450 members participate in varied enrichment programs two days a week at the centers. In these vibrant communities friendships are formed and new interests are cultivated. We invite you to visit our centers at The Church of the Assumption in Tuckahoe and The Reformed Church of Bronxville.

The senior population continues to be the fastest growing segment of our nation's population. As our senior population grows, so do our needs. As is the nation's current trend, the gap between our operating costs and generated income continues to widen each year as donations decrease. Please help support our seniors.

With our sincere gratitude,

Juega Camb B
